Logotype Versions

First version: This logo is only used by British and European product.

Second version: This logo is only used for American and Canadian products.

Third version: Icon logo

BeBank US 

BeBank UK 

ezbob.com © ezbob, Ltd.

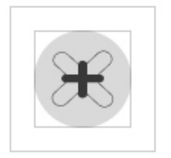

Clear space

To ensure legibility we need to give enough clear space around the logo. The ideal clear space for the preferred and secondary versions is defined by the icon logo width. If needed, there's also a minimum clear space area, defined by half of the icon logo width.
